Subject: TCRS - shipping labels for recycling plant shipment

Hi Karen:

We will send a TCRS sample collection kit for tire recycling plants to the following address:

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

I do not have a phone number but have requested it and I'll get it to you as soon as I get it.

I think that we will have two boxes for the kit, so we will need two outbound shipment labels, and two labels for shipping the boxes back to me here at EPA-RTP. I will double check that we have two boxes per kit with Don this morning.

We will ship the boxes Friday August 26 by overnight delivery (but not Saturday delivery) so that they arrive at the plant on Monday August 29.

Thanks,
Kent
